

A glassblower is shown working at a furnace. A glowing orange and yellow circular opening in the furnace is visible, with a glass rod extending from it. The scene is illuminated by the intense heat of the furnace, creating a dramatic, high-contrast lighting effect.

# INSPIRATIONAL CATALOG

**TORI CHINA**

We aim to become the world's leading glassware brand with  
luxurious, exquisite beauty at its heart.

We combine our rich heritage of craftsmanship and material  
understanding with strong design. Whether traditional or  
contemporary, our glassware has a global appeal to consumers
